## BY ROAD

Whether you travel with your own car or with private transfer, you will go through a short drive on good tarmac road and a long drive on dirt road. Time of drive varies, depending of season, between 2.5 to 4 hours to get to Tandanhague. Once there, you will need **a boat for a one-hour ride** across to Ibo. There is only one daily public boat (leaves between 9am and 4pm depending on chappa bus arrival & tide) or you can rent a private boat (which needs to be organized a day in advance as Tandanhague and Ibo cannot be reached on low tide).

We can put you in contact with a reliable driver to organize a private transfer.
